

Life Education School Overview

	Autumn		Spring		Summer	
	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Nursery	Rules, routines, boundaries and expectations will continually be a focus for the children during their time in the early years. These will be reinforced continually and built upon. In addition, two weekly discrete lessons will be taught to the children using the 'Think Equal Early Years Programme' on social and emotional learning. Each week a theme will be explored and discussed using carefully chosen story books which not only reflect the children's cultures, experiences and lives but introduces them to cultures, experiences and lives of others. This narrative approach develops a favourable environment for the children where compassion, creativity, critical thinking, empathetic skills and conflict-resolution can flourish.					
Reception	Rules, routines, boundaries and expectations will continually be a focus for the children during their time in the early years. These will be reinforced continually and built upon. In addition, a weekly discrete Life Education lesson will be taught to the children using the whole school PSHE scheme 1decision. 1decision uses a "planning in the moment" approach to the teaching of Life Education themes. Each week a theme will be explored and discussed depending on the children's interests, or scenarios they may be facing now or in the future.					
Year 1	Each topic begins with What I know now Road Safety Washing Hands		Friendship Jealousy Water Spillage Online Bullying		Growing in Our World Democracy Hoax Calling	
Year 2	Healthy Eating Brushing Teeth Tying shoelaces Staying Safe Bullying		Body Language Worry Practise Makes Perfect Anger Image Sharing		Individual Liberty Rule of Law Computer Safety Living in our World Petty Arson
