: Friday 7<sup>th</sup> February:

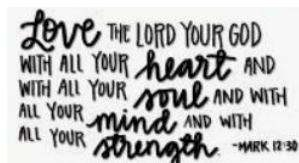

I am delighted to share with you the outcomes of our recent Church of England Inspection. I feel that the report captured what makes Holy Trinity Special.

The inspection recognised that

- Strong Christian leadership and formal partnerships have a significant impact on the development and expression of the Christian vision. Close links with the academy trust and diocese unquestionably enhance the life and work of the school. This enables pupils and adults to aspire, flourish and succeed.
- The Christian vision ensures those who experience barriers to learning are welcomed, included and nurtured. The quality of support they receive enables them to access the curriculum, progress and thrive.
- Proactive and creative links with local church communities enhance provision for collective worship. This contributes to the spiritual development of pupils and adults.
- Mutually supportive relationships and compassionate pastoral support foster a culture of trust. This enables the school community to live well together and impacts positively on wellbeing.
- Religious education (RE) is led with passion and expertise, resulting in a rich curriculum. Consequently, pupils display a sound knowledge of Christianity and a range of world religions.

The Christian Value for this half term is love. The children have been thinking about this in worship sessions and reflection.

The children are also reflecting on the School Bible verse.

Thank you to everyone who supported the different fundraising activities before Christmas. We raised over £1000. This money will be used to purchase ipads.

Next week is our Annual Health Heart Week. During this week the children will learn how to keep their hearts and minds healthy through various activities.

There will be a non-uniform day on Friday to raise funds for the British Heart Foundation and school funds. For this day I ask that your child wears a red or pink item.

Please ensure that your child is wearing the correct uniform for school, including footwear. Children should wear black trainers when it is a PE day and a different pair of black shoes on the other days. Please support the school in ensuring that all children are smart for school.

Attendance of your child at school is vital. Please contact the office by 9.00am if your child is absent for any reason. Any absence from school results in your child having gaps in learning. Your child/ren have had a very unsettled two years in terms of their schooling and as a result I am not authorising any absences in term time. Any absences may result in a fine or removal off the school roll.
