The Christian Value for this half term is friendship. Children will explore this value during collective worship and class reflection activities. They will all be reminded of the importance of respecting all.

Just before half term the children across school shared in a 'Rights Respecting School' afternoon. Children considered their Class Charters and they can voice their rights in their class, their school and in their community.

Both Year four and Year five have completed their swimming lessons for this year. I am always amazed at how much progress the children make during this time. I am also particularly proud to share that we have had numerous positive comments about the positive attitude of the children and their fabulous behaviour. Well done Years 4 and 5.

Thank you to all of you who have supported the non-uniform days as we get ready for our Summer Fair. This is an important event which raises money for our school funds. This year we have used the money raised to contribute to all the educational visits. As well as this we have decorated and refurbished our community kitchen and we look forward to welcoming you into this space.

Over the next few weeks each class will be leading worship. This is an opportunity for you to come and share with your children and celebrate their learning.

As the temperature rises and we hopefully have some sunshine please ensure that you send your children to school with a water bottle and a sun hat. Sun cream must be applied at home before coming to school. Please continue to send a waterproof coat as British weather is so temperamental. A day that begins with sunshine can quite easily end with rain.

As we begin the last half term please ensure that your child/ren continue to look smart in their uniform. At Holy Trinity we have high expectations and wearing the correct uniform is part of this. Please ensure that your child is wearing the correct uniform for school, including footwear. Children should wear black trainers when it is a PE day and a different pair of black shoes on the other days.

Our attendance champions for last half term were Year 2. They have won a trip to the park and an ice cream. Well done Year 2. Attendance of your child at school is vital. Please contact the office by 9.00am if your child is absent for any reason. Any absence from school results in your child having gaps in learning. Your child/ren have had a very unsettled two years in terms of their schooling and as a result I am not authorising any absences in term time. Any absences may result in a fine or removal off the school roll.
