: Thursday 28<sup>th</sup> March 2024

The Christian Value for the next half term is friendship. Children will explore this value during collective worship and class reflection activities. They will all be reminded of the importance of being a good friend. This will also link with further work on anti-bullying.

Thank you to everyone who has supported their child/ren this half term by attending the Stay and Read session with your child for World Book Day or the different parent workshops that have been on offer. There will be different parent workshops this half term. The first one will be on Wednesday 17<sup>th</sup> April - 9:00am – Year 6 SATs  
This term's parents evening will be held on Monday 22<sup>nd</sup> April. You will be able to make appointments before and after school from Monday 15<sup>th</sup> March.

Thank you to everyone who donated money during Lent and Ramadan for charity. Donations from the children raised almost £300 which will be donated to their class charities. Donations from the staff raised £100 which will be donated to a charity named 'Learn' which support a school in Nepal. We are looking forward to learning more about the school.

We will be celebrating Eid on the first day we return to school, after Easter. Please ensure that your child comes to school ready to celebrate in their Eid clothes.

Please ensure that your child is wearing the correct uniform for school, including footwear. Children should wear black trainers when it is a PE day and a different pair of black shoes on the other days. Please support the school in ensuring that all children are smart for school.

Attendance of your child at school is vital. Please contact the office by 9.00am if your child is absent for any reason.  
Any absence from school results in your child having gaps in learning. Your child/ren have had a very unsettled two years in terms of their schooling and as a result I am not authorising any absences in term time. Any absences may result in a fine or removal off the school roll.

We will be very sad to say goodbye to our lovely caretaker Mr Nixon. Mr Nixon is the longest serving caretaker in Bury and has been serving the Holy Trinity community for 29 years. I am sure that you will want to join with all the staff and children of Holy Trinity in wishing him well.

I would like to wish all of our Christian families a Happy Easter. I would also like to wish our Muslim families Eid Mubarak. May you enjoy family time together as you celebrate.
