MAY EDITION

Attendance Matters

Whole school attendance is currently around 94%.

A reminder to families that holidays **should not** be taken during term time, as this can have a significant impact on children's learning. Every day in school really does make a difference.

Playground Challenges

We have recently introduced weekly playground challenges to encourage active play, teamwork and resilience. It has been fantastic to see the children's enthusiasm.

Last week's **skipping challenge** was a great success, with children practising individually before working in pairs and larger groups. It was lovely to see them supporting and encouraging one another while learning new skills.

Christian Value – Friendship

A friend
loves 
at all times.
Proverbs 17:17

This half term we are focusing on the value of Friendship. Children have been thinking about what makes a good friend and how we can show kindness and support to others.

As part of this, the children have been making friendship bracelets, celebrating the importance of caring relationships.

Coming Soon – Curriculum Showcase

After half term, we will be holding a Curriculum Showcases. Each class will share their learning in a special assembly, followed by refreshments and the opportunity for parents and carers to look through the children's books.

Further details and dates will be shared soon.

Warm Weather Reminder

As the weather begins to get warmer, please make sure children are prepared for the day ahead.

Children can wear blue or red summer dresses, and we encourage all pupils to bring a water bottle to stay hydrated. A sun hat is also recommended for outdoor play.

Please also ensure that all items are clearly labelled with your child's name.

Reading at home

A reminder that reading at home each day makes a big difference to children's confidence and progress. Even a few minutes can help develop fluency and understanding.

Thank you to families who continue to support reading at home.

Dates for the diary

- ✓ Monday 4th May- Bank Holiday- school closed
- ✓ Thursday 21st May- EYFS & KS2 Science Showcase
- ✓ wc Monday 11th May- SATs week
- ✓ Friday 22nd May- KS1 Science Showcase
- ✓ May 15th Whole School Science Show
- ✓ Monday 1st June- Year 4 Swimming

IN THE SPOTLIGHT

SATS- WHAT YOU NEED TO KNOW

Year 6 SATs begin on Monday 11th May.

Children have been working hard in school and we are very proud of them. The most important thing now is that they are in school, on time, and ready each day.

Mrs Dunkin will be running a **daily breakfast club before school**, where children can have fruit, toast and juice and settle calmly before the day begins. We strongly encourage all Year 6 pupils to attend.

Please help your child by:

- Making sure they attend school every day
- Arriving on time or attending breakfast club
- Ensuring a good night's sleep
- Keeping mornings calm and positive

IMPORTANT

SATs take place over one week. It is essential that children attend each day.

Breakfast club is available each morning to support all pupils.
