NOVEMBER EDITION

Attendance Matters

Thank you for supporting good attendance.

Our current whole school attendance is 94%.

Every day in school counts and helps children make the most of their learning. Let's keep up the positive start to the year!

Parents' Evenings

Our recent Parents' Evenings were a huge success. It was wonderful to see so many families attending and engaging in discussions about their children's learning and progress. We would also like to thank parents and carers for the many positive comments shared about the school. Your kind words and continued support are greatly appreciated.

Winter Weather Reminder

As we move into the colder months, please ensure that all children return to school after half term with a warm, waterproof coat and suitable school shoes. Outdoor play remains an important part of the school day, and children will continue to spend time outside whenever possible. Please ensure that all clothing is clearly named.

Dates for the diary

- Weds 17th November- Y6 York Trip
- Mon 7th December - EYFS - Stay & Play PM + Family Breakfast AM
- Wed 9th December - KS2 performance AM
- Thurs 10th December - KS1 performance AM, KS2 performance PM
- Friday 11th December - KS1 performance PM
- Christmas dinner - Tuesday 15th December

Harvest Festival Success

A huge thank you to all of our families for their generous Harvest donations. Together, we have raised an amazing £280 for Christian Aid, a charity that supports people in need around the world. We are incredibly proud of our school community for helping to make a difference to the lives of others.

Playground Improvements

Unfortunately, the playground improvement work planned for the half-term holiday was cancelled due to bad weather. The planned improvements include new playground markings, a new grassed area and hideaway huts, creating more opportunities for play, learning and social interaction.

School has funded these improvements, but we now need to work together to raise money for additional playground equipment so that our children can enjoy the very best playtimes possible. We would love to purchase footballs, basketballs, cricket equipment, skipping ropes, resources for our stage area and a new outdoor speaker for dinner discos and special outdoor events.

EYFS & Key Stage 1 Disco

Our younger children had a fantastic time at their Light Up the Night Disco! There was plenty of dancing, laughter and excitement, with lots of flashing lights adding to the fun. It was lovely to see everyone enjoying themselves!

KS2 DISCO

Our Key Stage 2 children had a brilliant afternoon at their Light Up the Night Disco! The music was playing, the dance floor was busy and everyone had a great time showing off their best dance moves. A fantastic way to finish the celebrations!

IN THE SPOTLIGHT

FAMILY BREAKFAST

Our recent Family Breakfast was another fantastic success. It was lovely to see so many families coming together to share breakfast and spend time in school. Thank you to everyone who attended and helped make the event so special.

We would also like to apologise to those families who were unable to attend due to the hall reaching maximum capacity. We know this was disappointing and appreciate your understanding.

We are pleased to announce that another Christmas Family Breakfast will take place in December. Further details will follow shortly, and we encourage families to book early to avoid disappointment.
